T.Y.C Steppe Branch Report to the 2025 Holy Trinity Annual General Meeting

Слава Ісусу Христу! Слава На Віки! Glory to Jesus Christ! Glory Forever!

On behalf of the executive board and members of the Ukrainian Self-Reliance Association of Canada Steppe Branch; we would like to extend our wishes for a Healthy, Prosperous, and Joyous 2025.

Our TYC Steppe Branch meetings centered around the sale of the Black Strap Property, disbursement of funds earned at the City Center Bingos and a Church Memorial Service for departed TYC members.

The sale of our Black Strap Property led to the establishment of a Corporation Fund. The funds received from the sale have been invested until 2026. The Annual meeting for the Corporation will be held in June when the TYC members will decide of the future investment strategy.

We would like to thank the TYC members, Holy Trinity Cathedral members and UWAC Ol'ha Kobylianska Branch members for working at the City Centre Bingos and Joanne Zazelenchuk for organizing workers and acting as Bingo Coordinator. Please see the attached list of organizations benefitting from the funds received from our City Centre Bingo work.

Our TYC meetings begin with a delicious supper prepared by Cindy and John Didula. These suppers are always enjoyed tremendously by all in attendance. Thank you, Cindy and John!

The Memorial Service was well attended. We would like to thank Very Reverend Taras Makowsky for officiating at the service and, Dobr. Joanne Makowsky, Vesper Kowalsky and John Demkiw for cantoring. We would also like to thank James Werezak for printing and maintaining the list of departed members and Nestor Kowalsky for maintaining the Memorial Plaque. Our deepest sympathies to the family members of Albert Kachkowski and Ernie Stefanuk on the passing of their loved ones.

They will be missed greatly. Memory Eternal -

Vichnaya Pamyat. Respectfully submitted,
